1. The Mighty Many arise and come through you; the Mighty Many arising now in The Priesthood of All Believers in the Order of Melchizedek, The Order of Me, operating in the valleys of My heart; and yea, in the unity of the spirit that the world has yet to behold.

2. The world has never seen the operation of My values, My heart, My design coming through My design like they yet will at the crack of dawn. I love you and I give you Me. Yea, the dawn dawns, the dawn is now upon so many.

3. Yea, I come and I call and I conquer and I conflict arise; for so many struggle, so many have struggled, so many will struggle in the laying down of **beliefs held so true; held to be so dear and yet inerrant not, full of error,** full of mischief, conceived by mischief makers who contorted for their own control, their own elevation in their own eyes, their reward being received by them; yea, eternally, damnation, fire, hell, burning sulfur. Yea, only the beginning.

4. When I gave myself, I gave the majesty of Me, spurned as a bride My wrath is; The Virgin. I held Myself, I kept Myself pure, holy, undefiled and gave Myself to My creation. I love you.

5. **Conflict not, no; conflict increases**. I told you times before **you bring a sword for you bring Me, you bring truth; and untruth will arise to control to maintain the populace, to maintain the weak, the malnourished, the underfed, the underprivileged-not; for all are privileged, all are all five (1), all are ordained (2).**

6. All are called to sit with Me, sit in My lap, sit in My quarters, come into My quarters confidently and lie with Me; knowing Me intimately; knowing Me period. I love you in such purity, unity, and oneness that the world has yet to behold but will, will.

7. The crack of dawn, the unity of intimacy'd one, ones now who do not compete; who do not continuously compare themselves to each other to revel in their own powers, gifts-thought.

8. Magnetism endured by their desire for money, mammon, greed, avarice propelling their hearts into **contorted truth, truth-not, untruth, truth that has truth in it, modified, making it palatable; but yea, never nourishing My body as I designed--** Those I weed out and diminish as I bring forth My Mighty Many, My standard bearers who now operate in holiness and righteousness without which no man will see God; without which no woman will arise and come unto Me.

9. Yea, none of My design, none, none will see My face and know Me without the provision of My maker. Holy is His name and righteousness altogether; My Father, My

Son, My precepts in relationship, My living heart, My living word, **My living word made flesh in them of My design before ever was; yes, it all now comes forth.** I love you.

10. I give you Me unrestrained, unrestricted, unboundary'd, all disclosure comes forth in the transparency of My Mighty Many as transmuted not, but yea, **in transparency** and purity of heart, pureness of motive, unstained, walk forth into Me, from Me, to Me, **through Me now into each other.**

11. Yea, behold what I have said; behold Me, behold My revelation, behold the revelation of My revelation which continues now to come forth; yea, at midnight, at two, at four. Yea, at dawn and throughout the days as you continue to record My revelation and reveal My heart to the revelators who will receive the sound of My heart, the words of truth, and faint not, but fold unto Me.

12. My fold (3) are My flesh, My body, My blood, My bread to each other in sweetness and kindness, in love-bearing, love-producing, reproducing Me, reproducing My love, **replicating My prototypes, My prototypes conceived: Me.**

13. Yea, **I am the prototype, I am the pattern, I am the model**; yea, 1st John 2:6 teach (4), proclaim, banner forth and bargain never with the truth-brokers-thought who brokerages make out of that which they break forth, and yea, multiply, feeding so many in that which is tainted, compromised, and continues to flow forth from those price-not-paid; time with Me incomplete; inerrant-ones-not that error continues to manifest in and through; love them, love them as Me; they are My body and blood, even in error. Yea, meekness, discern.

14. I arise and there is no lack for My Mighty Many, there is no lack for you young man, young woman; yea, My little lambs who so strewn about are, orphaned; yea, walking about seeking what you can devour, seeking what you can depend on, who you can depend on, looking for truth, looking for help.

15. Yea, into Me see. See Me in these words, see you in these words and come into Me, you who are heavy laden and let Me find the rest, let Me bear the burden, the burden that I have already taken and let Me give you rest.

16. **Rest from the burden of untruth, rest from the creative conquering ones who delineate My truth in error, who conquer the laity, who conquer all in their path in the name of, yea, Me, by My power;** not by My might, not by My values; but yea, tainted.

17. Tainted and putrefied are so many, so many so stagnant, upon plateaus, upon plateaus that arose to see Me in elements of truth; but yea, chose or hoarded and harassed into corrals of thought, minds coming forth not of Me; freedom obscured, often obliterated; yea, even with My name, in My name and My name being put forth. Yea, so many speak for Me who do not know Me, discern. Watch out, watch, see, discern what comes forth and evaluate the freedom of My who say they know Me.

18. To freedom that I am; the freedom that I operate in; the freedom that I gave, that I bought, that I died for, that I live for, that I intercede for, for you to know and operate in the fullness of Me, spurning Me not. But yea, coming into Me daily, nightly, continuously; not two, but one. I love you.

19. Come unto Me, come into Me, receive Me, receive My truth, receive My freedom, in conflict avoidance receive of who you are, of what I have done, of what I am, of what I offer, of who you are, of our one-ship, of My blood, My body, My bread; yea, in My New Covenant; yea, letting Me be Me; letting Me write My own thoughts into you (5), the tablets of your heart (5). Yea, the molecules of your blood I live, I come, I am, you are I Am, you are My body and blood.

20. Receive Me, know Me, and fuel be for each other in the value system of Me, My heart, My revelation revealed, revelation coming forth in such detail, macular generation of only Me--I love you--microscopic detail, macroscopic enlargement now your vision beholding. I love you and I give you Me.

21. Discern and desire the freedom makers, and freedom makers make in the freedom that I am, the liberty; yea, the rule-less religion pure, undefiled, and holy; yea, the widows (6), the orphans (6), those who cannot speak for themselves, yea, uplift.

22. My word so clear on these things and so many things that have been trampled underfoot by controllers using My name, operating as bastards and bastards making by their convoluted, constricting ways and words so smooth, containing partial truths.

23. Discern and beg not, for I am Me and I am holy. I am arisen, I live. Yea, and I come and I call, and I conquer; and I call you through no other man, through no other woman, through no agency. I ordain you (2). Little; yea. Young; yea.

24. Before you were born, I knew you before, I know you now. I call, yea, deep calls unto deep, you are; come enjoy the depths, the heights, the limitless boundaries in Me.

25. Yea, My Mighty Many be, be Me.

26. "I cannot" you say, you think.

27. You ask, "Can this be true"?

28. Yea, what is truth?

29. Yea, that which the earth rotates on? Its axis? My words?

30. Yea, see Me in that which I have said and let Me give you My world for your world; My adventure for your non-adventure. Let Me give you Me. Let Me arise you into wing walkers of only Me, being My wings, being My body and blood that you already are in ways, manners, means, form and fashion of truth; truth untainted, truth operating with each other in, yea, meekness, humility, comparison not, contrast contrasting not what others define, yea, but using and operating in My definitions, My vocabulary, My big world.

31. **Yea, see plates shift continuously and the horror, the horror, the absolute dejection, abject poverty that arises.** Yea, cataclysmic continuous streams streaming change now. Yea, the hearts of many failing them for fear (7), fear which has been instilled over centuries, coursed by many-course meals of those who have not served Me.

32. Freedom, freedom, freedom; yea, the malnourished, faint in the morning of the day; never even seeing the heat of battle, never accepting My offering. Yea, the times I have knelt before them to give them My word, to receive Me, to operate by My New

Covenant, to operate in Me, by Me, for Me, to Me, through Me, beholding Me, beholding My body, being My blood, My wine, My bread; yea, to each other; My meat having received in the wee hours, paying a price, death deliberately accepted to receive the wholeness, the fullness, the originality of My design beheld, matured, walked in to and operating in with such loveliness, desire of only Me, with no self-elevation; Yea, Philippians knowing, Ephesians being; yea, revelating Me to all in their path. I love you.

33. Acts full? Full not, My Acts come forth now, Acts never ending again; no one will put "The End" on any of My books of record; Yea, not until Me, I only put 'the end', the day, the moment that My Father only knows. And, yea, until then, My word comes forth and fills the earth; My voice, the voice of many waters be filling; yea, watch Me.

34. Watch Me walk on water and divide the earth; and yea, choose sides each one will, receiving the fullness of Me, [or] rejecting My offerings, kneeling before the power and surrendering what was divine to the un-divine.

35. Yea, don't do it; please receive Me in My fullness and My fullness be, My fullness see, **My deity be: in Me, in Me, of Me, of My design.** Yea, a servant not, I call you friend. Yea, into Me alone, receiving Me in the fullness of My desire. I love you and I give you Me.

36. Chris christens Christopher; I told you watch Me, trust Me, be Me, My sacrificial lamb; Yea, for sacrifices there always must be, for I sacrifice and I intercede. And yea, I do always so willingly, interceedingly, intercessionship of life-bearing freedom, fulfillment of My design. Watch Me.

37. I love you; I give you Me and children all over My world, My globe that you are in to receive Me, be Me, and put their hands in Mine, Me only, My hand, My maturity receiving and holding no bounds over, retaining no right in; yea, reflecting only Me to receive Me and maturity make and help facilitate. And free My who free are, burden-makers none; freedom facilitators, freedom flyers all. I love you and I give you Me.

38. **I give you words of conflict. I give you words of liberation and freedom, meat for My table.** Yea, **My New Covenant** for all, **My New Covenant** spread and banquet. Delicacies and nine-course meals not; yea, meals and times together now in My quarters that never end; interaction, inter-exchange of only Me. **Covenant**: **Covenant revealed, Covenant complete**. I love you.

39. Good night. Go in peace, arise in peace, and My presence everlasting. I kiss you goodnight. I love you, I love you, I love you. Be Me, the Bread of Life, to each other; to Barbi, to Buck, and to all who will behold Me. Amen.

40. I come so soon to them, to your son, to your seed, to those I have given you. Thank you for glorifying Me in all of them; glorification of only Me, on your knees remaining, a sacrifice and interceding. Yea, bringing forth the Mighty Many at the crack of dawn and continuously never ending. I love you, goodnight.

41. A great time to be alive, alive in Me. Thank you, thank you, thank you for what you have chosen.
